On the wedding day, the bride must communicate the importance of being on time and properly prepared. Every person getting their hair done in an up do, half-up style, or curls must have their hair washed preferable the night before and blown dry as this gives the best texture to style. All hair must be straight but not flat ironed, unless extra curly hair desires a smooth style. If such a case arises, the stylist will charge extra of \$50.00 to blow dry (if time permits) or the service will be forfeited and the charge will still apply.

On location at venue, the stylist(s) needs a designated space to set up when on location. The bride is responsible for clearing an area before the stylist(s) arrives. The stylist(s) will need a work area with a chair near an outlet in a no walk-through traffic area. Good light or natural light is preferred. If services cannot be performed due to insufficient work conditions or tardiness, all fees still apply. The stylist will not be held liable for any injuries that should arise while on location.
